10TH ANNIVERSARY RIDE!

GEAR UP FOR STEVE'S 10TH ANNIVERSARY RIDE!

Looking for adventure? Get out on the highway! Steve Grandon and his HOG are making their 10th Ride. Why? To raise funds for the Right of Way International Education Foundation. RWIEF provides funding for courses, scholarships, and other education initiatives. This year's ride starts in Denver, CO, site of our 2023 conference and ends in Long Beach, CA, site of our 2024 conference. Have fun making one (or more) mileage guesses in this unique contest and just maybe you'll win the \$1,000 cash prize! Come see the Harley at the Denver conference exhibit hall and make your mileage guess!!

CONTEST RULES

Guess total highway miles from the Hyatt Regency, Denver to the Long Beach Convention and Entertainment Center.

Winner is whomever gets closest to the actual odometer mileage (above or below).

Use MapQuest. Use rods and chains. Use a yardstick. It doesn't matter - the odometer has final say!

Contest starts June 25th at the Denver conference.

To make a mileage guess, come find Steve's Harley in the Denver exhibit hall.

\$5 per guess. You can guess multiple times (5 guesses=\$25, etc.).

100% of proceeds go to RWIEF for right of way education.

Winner receives **\$1,000 cash prize**, provided by Liberty Core Consultants.

Contest ends & winner announced June 26th at the Denver conference Monday Night Event.

You do **NOT** have to be an IRWA member to participate.

Thanks to Liberty Core Consultants who graciously sponsors the FUNdraiser ride and cash prize!
